End Application:

Helicopter, ch-53a/d/e

Cable Opening Quantity:

1

Mounting Facility Type And Quantity:

1 clamp assembly and 1 threaded coupling

Special Features:

This is a 90 degree backshell and is self-locking.

Material:

Aluminum alloy

Surface Treatment:

Nickel

Surface Treatment:

Nickel, electroless

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
