Overall Length:

1.026 inches

Overall Diameter:

1.406 inches

Product Name:

Connector, plug, electrical, straight, crimp type, bayonet coupling, series ii

Special Features:

Shell size 18; insert arrangement number32; contact style s; polarizing position a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
