End Application:

Aeronautical applications

Product Name:

Filter connector

Special Features:

Circular filter connector; intermeatable and interchangeable as to the mounting with standard connectors of the same series; shell-aluminum alloy, olive green cadmium or nickel plated; insulators-thermo-setting plastic; interfacial and peripheral seals-neoprene; contacts-gold plated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
