Overall Length:

2.170 inches

Overall Height:

1.220 inches

Overall Width:

1.410 inches

End Application:

Cable assembly, aircraft

Mounting Facility Type And Quantity:

2 threaded coupling

Special Features:

This adapter interfaces with mil-c-38999 series iii and iv

Material:

Plastic

Surface Treatment:

Cadmium and nickel

Style Designator:

Straight type w/cable clamp

Surface Treatment:

Cadmium and nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
