**Mating End Quantity:**

1

**Contact Maximum Current Rating In Amps:**

20.0 single mating end single contact grouping

**Contact Maximum Ac Voltage Rating In Volts:**

250.0 single mating end single contact grouping

**Terminal Location:**

Back single mating end single contact grouping

**Terminal Type:**

Screw single mating end single contact grouping

**Shell Material:**

Plastic

**Included Contact Quantity:**

3 single mating end single contact grouping

**Product Name:**

Ac connector ie60320 c19 female straight entry ul

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A039b0
