Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

20.0 single mating end single contact grouping

Contact Maximum Ac Voltage Rating In Volts:

250.0 single mating end single contact grouping

Terminal Location:

Back single mating end single contact grouping

Terminal Type:

Screw single mating end single contact grouping

Shell Material:

Plastic

Included Contact Quantity:

3 single mating end single contact grouping

Product Name:

Ac connector ie60320 c19 female straight entry ul

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
