Mating End Quantity:
1
Contact Maximum Current Rating In Amps:
20.0 single mating end single contact grouping
Contact Maximum Ac Voltage Rating In Volts:
250.0 single mating end single contact grouping
Terminal Location:
Back single mating end single contact grouping
Terminal Type:
Screw single mating end single contact grouping
Shell Material:
Plastic
Included Contact Quantity:
3 single mating end single contact grouping
Product Name:
Ac connector ie60320 c19 female straight entry ul
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A039b0
