Body Style:

Straight shape quick connect

Mating End Quantity:

2

Contact Material:

Copper alloy all mating ends single contact grouping

Contact Surface Treatment:

Gold all mating ends single contact grouping

Product Name:

Adaptor, bnc jack-jack, bulkhead

Special Features:

Connector type: intra-series coaxial; 750 ohm impedance; bulkhead mounting

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
