Product Name:

Emi/rfi banding and shrink boot adapter rotatable coupling-standard profile

Special Features:

Seal material is silicone; finish specs ams-c-26074, class 4, grade b; straight angle and profile

Material:

Aluminum

Surface Treatment:

Nickel

Surface Treatment:

Nickel, electroless

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
