**Product Name:**

Emi/rfi banding and shrink boot adapter rotatable coupling-standard profile

**Special Features:**

Straight angle and profile; specification ams-c-26074, class 4, grade b; see note 1, page 13

**Material:**

Aluminum alloy

**Surface Treatment:**

Nickel

**Surface Treatment:**

Nickel, electroless

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A10100
