Product Name:

Emi/rfi banding and shrink boot adapter rotatable coupling-standard profile

Special Features:

Straight angle and profile; specification ams-c-26074, class 4, grade b; see note 1, page 13

Material:

Aluminum alloy

Surface Treatment:

Nickel

Surface Treatment:

Nickel, electroless

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10100
