**Overall Length:**

1.060 inches

**Overall Diameter:**

1.700 inches

**Size Designation:**

25

**Mounting Method:**

Threaded coupling

**Features Provided:**

Wire rope

**Thread Size:**

37.0 millimeters

**Thread Tolerance Class:**

6h internal

**Special Features:**

The 8 inch long wire rope has a polytetrafluoroethylene jacket and is terminated with a fitting with a 0.167 inch hole. The shell finish is 1000 hour corrosion resistant.

**Color:**

Olive drab

**Material:**

Aluminum

**Surface Treatment:**

Cadmium and nickel

**Shape:**

Cylindrical

**Thread Series Designator:**

Iso m

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A506s0
