Overall Length:

1.060 inches

Overall Diameter:

1.700 inches

Size Designation:

25

Mounting Method:

Threaded coupling

Features Provided:

Wire rope

Thread Size:

37.0 millimeters

Thread Tolerance Class:

6h internal

Special Features:

The 8 inch long wire rope has a polytetrafluoroethylene jacket and is terminated with a fitting with a 0.167 inch hole. The shell finish is 1000 hour corrosion resistant.

Color:

Olive drab

Material:

Aluminum

Surface Treatment:

Cadmium and nickel

Shape:

Cylindrical

Thread Series Designator:

Iso m

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506s0
