Seal Material:

Rubber, silicone base

Body Height:

0.947 inches

Overall Diameter:

1.570 inches

Unthreaded Mounting Hole Diameter:

Between 1.452 inches and 1.458 inches

End Application:

U-2

Seal Type:

Gasket

Size Designation:

21

Mounting Facility Type And Quantity:

1 bayonet lock

Product Name:

Cap-plug protective

Special Features:

Comes without a chain

Material:

Aluminum alloy

Material:

Aluminum alloy

Surface Treatment:

Nickel alloy

Style Designator:

External bayonet

Surface Treatment:

Nickel alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
