Body Style:

Angle shape

Overall Length:

39.3 millimeters

Overall Height:

70.4 millimeters

Overall Width:

27.5 millimeters

Terminal Type:

Female terminal connection single mating end all contact groupings

Product Name:

(inavy) connector, plug, electrical; iec connectors

Special Features:

Max rating: 10a, 250ac; contact resistance: less than 10 milli-ohms; insulation resistance: greater than 10 mega-ohms; pole to pole: 5kv (poles accessible) ports 3.5kv; mouldings: nylon, flamability rating ul94v-0 contacts: brass clean

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
