Contact Maximum Current Rating In Amps:

3.0

Contact Material:

Beryllium copper

Product Name:

Interconnect socket

Special Features:

0.050 in. Grid; surface mount socket; double row gull wing; accepts 0.015-0.020 in. Leads; standard 3 finger contact no. 11

Terminal Type And Quantity:

10 pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02300
