Contact Maximum Current Rating In Amps:
3.0
Contact Material:
Beryllium copper
Product Name:
Interconnect socket
Special Features:
0.050 in. Grid; surface mount socket; double row gull wing; accepts 0.015-0.020 in. Leads; standard 3 finger contact no. 11
Terminal Type And Quantity:
10 pin
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A02300
