Body Style:

Straight shape

Overall Length:

31.5 millimeters

Overall Height:

20.5 millimeters

Overall Width:

27.3 millimeters

End Application:

3895-01-577-2425

Product Name:

Automotive connector 2p fm black connector assembly

Special Features:

Number of positions is 2; material, , is nylon; operating temperature is -40c to 125c

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
