Body Style:

Straight shape

Body Length:

33.5 millimeters

Overall Diameter:

12.7 millimeters

Threaded Device Type:

Back shell

Connector Locking Method:

Snap lock

Product Name:

Connector, plug electrical

Special Features:

Back shell style; weather tight grommet grip/seal and (1) interfacial "o " ring

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
