Overall Length:

2.242 inches

Overall Height:

1.160 inches

Overall Width:

1.672 inches

Unthreaded Mounting Hole Diameter:

2.230 inches single mounting facility

End Application:

Expendable

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Product Name:

Gland, cable sealing, class I

Special Features:

Arrangement number is 44-13; min cable diameter is 1.547 inch

Material:

Rubber

Style Designator:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
