Overall Length:

0.689 inches

Overall Height:

0.581 inches

Overall Width:

0.240 inches

Distance Between Mounting Facility Centers:

0.534 inches

End Application:

Support equipment

Mounting Facility Type And Quantity:

2 springlock fastener

Product Name:

Strain relief, receptacle connector, flat cable, latch

Material:

Plastic

Material:

Plastic

Style Designator:

Reversible clamp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
