Overall Height:

56.13 millimeters

Overall Width:

30.23 millimeters

End Application:

Icon receiver and ita

Product Name:

Icon modules

Special Features:

Op temp: -55 degrees to 125 degrees c; available contact positions: 100.8; mat: black high-temp thermoplastic

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
