**Connector Locking Method:**

Contact twistlock

**Shell Surface Treatment:**

Cadmium and nickel

**Product Name:**

Mil-c-38999 series connector

**Color:**

Olive drab

**Supplementary Features:**

Shell size: 11; rfi plu (crimp) ; temp range: -65 degrees to 85 degrees c; withstand 500 hrs salt spray

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A039b0

**Mil-std (military Standard):**

Mil-c-38999 spec.
