Overall Width:

1.07 inches

End Application:

2355-01-539-3589

Distance From Centerline To Connector End:

1.39 inches

Distance From Centerline To Cable End:

1.27 inches

Product Name:

Backshell, electrical connector

Material:

Nickel alloy

Style Designator:

Angle type w/clamp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
