Body Style:

Straight edge type w/mounting flange

Operating Temperature Rating:

120.0 degrees celsius

Shell Material:

Steel

Shell Surface Treatment:

Chromate or zinc

Product Name:

Dcu37sfo-socket housing, d 37 way

Color:

Black

Supplementary Features:

Working voltage: 350v; dc current mas: 5a; no. Of contacts: 37; connector type: d sub; termination method: crimp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
