Body Style:

Rectangular shape

Overall Length:

0.900 inches

Overall Height:

0.312 inches

Overall Width:

0.460 inches

Mating End Quantity:

1

Contact Position Arrangement Style:

2 rows of contacts non-inserted board single mating end

Terminal Location:

Front single mating end single contact grouping

Contact Surface Treatment:

Gold single mating end single contact grouping

Terminal Type:

Solder stud single mating end single contact grouping

Product Name:

Connector, plug

Special Features:

Contact material; phosphor bronze 0.012 thk

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
