Body Style:

Rectangular shape

Overall Length:

2.7 inches

Overall Height:

1.4 inches

Overall Width:

1.5 inches

Contact Removability:

Removable all mating ends all contact groupings

Polarization Method:

Contact

Connector Locking Method:

Externally threaded coupling nut

End Application:

3895-01-577-2425

Thread Size:

5.0 millimeters

Special Features:

It contains 50 contacts, size 20 drc series

Special Test Features:

Material: plastic black; bolt: stainless steel; clip: steel. Recommended retaining bolt torque: 25-28 in-lb. Plug us supplied with dust cap.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
