Body Style:

Rectangular shape

Overall Length:

0.935 inches

Overall Height:

0.429 inches

Overall Width:

0.308 inches

Mating End Quantity:

1

Shell Type:

Solid

End Application:

Apq-170slep

Terminal Location:

Front single mating end all contact groupings

Insert Material:

Rubber single mating end

Terminal Type:

Crimp single mating end all contact groupings

Shell Material:

Aluminum alloy 6061

Product Name:

Connector, plug, electrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
