Body Style:

Straight shape, fiber optic

Overall Length:

0.650 inches

Overall Height:

0.861 inches

Overall Width:

0.359 inches

Distance Between Mounting Facility Centers:

0.520 inches

End Application:

Globalhawk, asip

Product Name:

Gms float mount to sma jack

Special Features:

Stainless steel spring located inside connector.

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
