Polarization Method:

3 polarization posts

End Application:

Common air route surveillance radar antenna dr system (carsrads)

Special Features:

Db60 female receptacle connector, db series, current rating: 60 amps; voltage 240 volts ac; 60 herz; number of wires: 4; aux/pilot contacts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
