Body Style:

Straight shape, fiber optic

Overall Length:

0.936 inches

Body Height:

0.235 inches

Shell Type:

Solid

End Application:

Jstars pme-dm

Terminal Location:

Front single mating end single contact grouping

Product Name:

Connector plug fiber optic, type sc, multimode epoxy, fibersize 125um

Special Features:

Color-beige, body and housing is made of thermoplastic resin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
