Overall Length:

0.668 inches

Diameter:

0.612 inches

End Application:

Threat emitte

Terminal Type:

Solder well single mating end single contact grouping

Product Name:

Connector, receptacle; sma bulkhead receptacle

Special Features:

Description: passivated finish, epoxy captivated, female contacts; rear mount/hex flange; terminal type: solder cup; captive contact; .066 exposed tfe

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
