Environmental Protection:

Corrosion resistant and weather resistant

Threaded Device Type:

Mounting hole

Product Name:

Connector, electrical, circular, miniature high density, quick disconnect bayonetm, threaded, breech coupling, environment resistance

Special Features:

Item is class t having connector resistance pea (amps) 10, 000

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
