### **Environmental Protection:**

Corrosion resistant and weather resistant

#### Threaded Device Type:

Mounting hole

#### Product Name:

Connector, electrical, circular, minature high density, quick disconnect bayonetm, threaded, breech coupling, environment resistance

# **Special Features:**

Item is class t having connector resistance pea (amps) 10,000

#### Shelf Life:

N/a

# Unit Of Measure:

---

# Demilitarization:

No

Fiig:

A039b0
