**Contact Maximum Current Rating In Amps:**

10.0

**Accommodated Contact Quantity:**

4

**End Application:**

Ram warning s

**Contact Maximum Voltage In Volts And Current Type:**

110.0 dc

**Special Features:**

Stainless steel mounting hardware utilized

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02300
