Overall Length:

1.180 inches

Overall Height:

1.240 inches

Diameter:

1.240 inches

End Application:

Ng nav system

Product Name:

Connector, plug

Special Features:

Material: stainless steel/passivated, material is rohs compliant; rear accessory thread; plug has anti-decoupling spring; socket has number 8 power contacts;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
