Body Style:

Straight shape

Product Name:

Plug, insulgrip, watertight, 200a/600v, series 2

Special Features:

Voltage is 250v dc/600v ac; 3 poles, 4 wire; housing and shroud are aluminum matl; can withstand 3000 dielectric voltage ac min; maximum working voltage at 600v ac rms; maximum continuous operating temp at 75 degrees c, min continuous at -40 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
