Overall Length:

1.230 inches

Overall Height:

0.782 inches

Overall Width:

0.782 inches

Diameter:

0.782 inches

End Application:

Mk20 mod2 electrical

Product Name:

Connector, plug, electrical, rfi shielded, series 2, crimp type, bayonet coupling, class w;

Special Features:

Class: "w"; shell size: "16"; insert arrangement: "8"; contact style: "p"; alternate insert position: "w";

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
