End Application:

1430-01-448-9835

Product Name:

Minitek basics shrouded header connector

Special Features:

Flammability rating: ul94v-0; number of contacts: 14; orientation: right angle; attachment type: through hole; voltage: 650.00 v rms; current rating: 2.00 amps; resistance: 1000.00 meg-ohms; color: cream; material: phosphor bronze;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
