Body Style:

Rectangular shape

Contact Position Arrangement Style:

3 all mating ends

Polarization Method:

3 polarization posts

Shell Type:

Hood, top opening

End Application:

2330-01-580-7654

Product Name:

Watertite male receptacle with locking blade.

Special Features:

Has ip rating of ip67. Maximum current per contact is 30a. Maximum voltage is 250v.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
