Body Style:

Locking plug

Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

10.0 1st mating end single contact grouping

Contact Maximum Ac Voltage Rating In Volts:

250.0 1st mating end single contact grouping

End Application:

Mrap buffalo mk2a2

Shell Material Specification:

Din 43650 national std/spec single material response

Product Name:

Din 43650 solenoid connector, female ra 3-pin, 10a 250vac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
