Overall Height:

0.236 inches

Overall Diameter:

0.197 inches

Product Name:

Jackpost assembly

Special Features:

Assy consist of: 1 rectangular nut, 1 jackpost, 1 no. 4-40 lock washer, order two per connector, threads: 4-40 unc-2b

Material:

Copper alloy

Style Designator:

Circular internal thread

Thread Series Designator:

Unc single mounting facility

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
