Product Name:

Pcle x 16 cable assembly, 28 awg, 1.0m lgt

Special Features:

Physical description is 1.0m cable length, 136 circuits (loaded), male-male gender, there is a lock to mating part, matl is zinc alloy, packing type is a bag, 0.80mm mating interface pitch, waterproof/dustproof, 28 awg wire size that is round, 30v dc maximum voltage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
