Thread Direction:

Right-hand

Overall Length:

Between 2.650 inches and 2.770 inches

Overall Diameter:

1.360 inches

Size Designation:

19

Mounting Facility Type And Quantity:

1 threaded coupling

Features Provided:

Rfi shielding

Product Name:

Submersible cable sealing backshell

Style Designator:

Straight type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
