End Application:

Boat, work 30 foot

Shell Material:

Plastic polycarbonate

Product Name:

Ground fault circuit interrupter (gfc)

Special Features:

Power rating: 1.00 horsepower; current rating: 20.00 amps; voltage rating: 125.00 volts; nema 5-20r; self grounding; 2 pole; 3 wire; smart lock pro slim feature; trip level: class a, 5 ma; terminations: back and side;

Color:

Ivory

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
