Overall Length:

2.60 inches

Overall Height:

1.70 inches

Overall Width:

1.79 inches

Body Angle In Deg:

180.0

Contact Removability:

Removable all mating ends single contact grouping

Connector Locking Method:

Externally threaded shell and internally threaded shell

Product Name:

Connector, plug, threaded, removable crimp contacts, series iii, lemp protected

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
