**Product Name:**

Coaxial panel connector

**Special Features:**

Electrical data: impedance 50, interface frequency max. 11 ghz mechanical data: number of matings 500, weight 0.0248 kg; environmental data: operatingoperating temperature -65 ?C to 165 ?C, 2011/65/eu (rohs) compliant; material data: centre contact copper beryllium alloy gold plating (nickel underplated, outer contact brass sucoplate (r) plating, body brass sucoplate (r) plating, insulator pfa / ptfe

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A039b0
