Body Style:

Straight shape, external/internal coupling

Mating End Quantity:

2

Insert Position In Deg:

180.0

Connector Locking Method:

Shell twistlock

Product Name:

Coaxial adaptor

Supplementary Features:

Male plug interface c; female jack interface bnc; impedance 50 ohms; interface frequency maximum 4ghz

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
