Overall Length:

1.768 inches

Overall Width:

0.829 inches

Overall Diameter:

2.31 inches

Cable Opening Diameter:

0.688 inches

Mounting Facility Type And Quantity:

1 body

Product Name:

Backshell electrical

Special Features:

90 degree self locking

Material:

Nickel alloy

Material Specification:

Mil-c-85049 military specification all material responses

Style Designator:

Straight type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100

Mil-std (military Standard):

Mil-c-85049 spec.
