**Overall Length:**

1.768 inches

**Overall Width:**

0.829 inches

**Overall Diameter:**

2.31 inches

**Cable Opening Diameter:**

0.688 inches

**Mounting Facility Type And Quantity:**

1 body

**Product Name:**

Backshell electrical

**Special Features:**

90 degree self locking

**Material:**

Nickel alloy

**Material Specification:**

Mil-c-85049 military specification all material responses

**Style Designator:**

Straight type

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A10100

**Mil-std (military Standard):**

Mil-c-85049 spec.
